Fredag 11. maj

14.30

LEIF WILLUMSEN, piano, vocals

16.45

RUSSIAN ROULETTE

TROND AAGESEN, vocals, guitar

Traditional folklore,
classic American blues & styling

ALEX CHOUB, guitar

Lørdag 12. maj

14.00

JENS MAGNUSSEN, strolling poet, med flute

14.45

JON BJARNHOF, guitar, performance

Even tho JON BJARNHOF, as a seasoned musician, has played drums & percussion in many different contexts (Balkan, Hip-hop, Salsa, Rock folk/singer-song writer), this will be the first he picks up the guitar & plays all by himself, a mix of jazzy songs in both English & Danish, as well as his own guitar compositions - &, perhaps, even a short story or two to go with the songs.

15.30

JENS MAGNUSSEN, digte

16.00

LESLEY-ANN BROWN

writer+ nbcblk contributor + cultivator of knowledge, vice chair . Black Women in Europe Social Network. Spoken word performance are her upcoming book "Decolonial Daughter: Letters from a Black Woman to her European Son" (Pre-order: Repeater Books) May 17, 2018) reflections of being a Black woman & mother, both in the Caribbean, U.S. and here in Denmark.

17.00

THE ACOUSTICAL EXPERIMENT

Vi spiller mest stille ballader fra de sidste 70 år krydret med en håndfuld numre fra nyere tid. Desuden fremfører gruppen et par numre fra egen skuffe. Vi har spillet adskillige café koncerter (Bl.a. Gimle et par gange), private fester, galleri-ferniseringer, sports-arrangementer, og vi har de sidste 5 år været et mere eller mindre fast bestanddel ved indvielser og byfester i Hedehusene og Tåstrup.

Bandet har sit udspring i Klub 5'eren i Hedehusene, og de lægger vægt på en tilbagelænet og behagelig stil, fyldt med vellyd og skønne harmonier og fire af bandet+s medlemmer er medlem af Roskilde Sangskriverklub.

Bandet består af:

Henning "Honn" Kaad (Gammelfar) (62): Guitar (ROSSK)

Camilla Dideriksen (22): Bass, cajon

Gry Waldersdorff Larsen (25): Vokal, guitar (ROSSK)

Mia Anne Engel (25): Vokal, bass, cajon (ROSSK)

Nattie Wulff (28): Vokal

Pernille Madelaire (25): Vokal, keys, cajon (ROSSK)

I kan se mere om os her
